

ROHIT BILWAL

Aspiring Software & Data Analyst

Phone: +91 82628 24082
Email: bilwalrohit10@gmail.com | [LinkedIn](#)

Aspiring Software and Data Analyst professional with foundational knowledge in Python, SQL, DBMS, HTML, CSS, and software development concepts. Skilled in analytical thinking and problem-solving, with a passion for building efficient technology-driven solutions. Eager to start a professional career and contribute effectively in a dynamic and growth-oriented environment.

SKILLS SUMMARY

- **Programming Languages:** Python (For ML/DL), SQL, Java
- **Frontend Technologies:** HTML, CSS, React Basics
- **Database & Querying:** DBMS, MySQL
- **Data Analytics:** Power BI, Excel, Dashboard Development, Data Interpretation
- **Cloud & AI:** Cloud Computing Fundamentals, Oracle Cloud Infrastructure AI Foundations
- **Development Tools:** VS Code, Jupyter Notebook
- **Libraries & Concepts:** NumPy, Pandas, OOP Concepts
- **Technical Domains:** IoT Systems, GIS Fundamentals, ETL & DWH Concepts
- **Professional Skills:** Analytical Thinking, Problem Solving, Team Collaboration, Communication

PROJECTS

- **Smart Student Process Model:** Developed a data-driven system to automate and analyze student management processes such as attendance and academic performance using Python and MySQL. Implemented efficient data handling and visualization techniques to improve academic tracking.
- **Student Performance Prediction:** Built a predictive machine learning model using Python and Scikit-learn to forecast student results and analyze performance trends based on historical data.
- **Sales Data Dashboard:** Designed an interactive Power BI dashboard to analyze sales trends, growth patterns, and business insights for improved decision-making.
- **IoT-Based Smart Home Sensor System:** Worked on a mini project involving smart home automation concepts using sensor-based monitoring systems and real-time device interaction.

EDUCATION

Qualification	Institution	Year	Score
Bachelor of Engineering (B.E.)	International Centre of Excellence in Engineering and Management	2026	CGPA: 7.00
H.S.C.	Shree Muktanand College, Gangapur	2022	66.00%
S.S.C.	Sant Tukaram Vidyalaya, Shingi	2020	80.60%

CERTIFICATIONS & ACHIEVEMENTS

- Certification in Python for Data Science
- Oracle AI Foundations Associate
- Oracle Data Platform Foundations
- NPTEL Cloud Computing Certification
- Participated in Data Analytics Workshop by Edunet Foundation
- Participated in college-level hackathons and coding competitions

STRENGTHS

- Analytical and logical reasoning
- Quick learner with strong adaptability
- Strong interest in AI and Data Analytics
- Communication and teamwork skills
- Self-motivated and detail-oriented

LANGUAGES

- English
- Hindi
- Marathi
