PROFESSIONAL SUMMARY

2026 B.E. Computer Engineering graduate (CGPA: 7.00) with hands-on project practice in application containerization, source control, automated testing, and CI/CD workflows. Familiar with Linux, AWS fundamentals, Git/GitHub, Docker, Jenkins, Kubernetes, and Terraform. Seeking an entry-level DevOps Engineer role to apply practical skills and continue learning in cloud infrastructure and software delivery automation.

TECHNICAL SKILLS

Cloud: AWS fundamentals: EC2, S3, IAM, VPC, RDS

Operating Systems: Linux (Ubuntu, Red Hat, Fedora, Debian)

Version Control: Git, GitHub, GitLab

Containers: Docker, Docker Hub

CI/CD: Jenkins pipelines; GitLab CI/CD fundamentals

Orchestration: Kubernetes (Minikube; basic Deployments and Services)

Infrastructure as Code: Terraform fundamentals

Scripting and Testing: Python, Bash basics, Pytest

Monitoring: Prometheus and Grafana fundamentals

Networking: TCP/IP, DNS, HTTP/HTTPS, SSH

Tools: VS Code, AWS CLI

PROJECTS

AI Virtual Ecommerce Platform

Technologies: React.js, Vite, Java, Spring Boot, Git, GitLab

- Developed a frontend and backend project structure for an ecommerce application using React.js/Vite and Spring Boot.
- Worked on product-related functionality and backend API integration.
- Explored containerization and CI/CD workflows for build and deployment activities.

Project: gitlab.com/rohit-group7351242/ai-virtual-ecommerce

Bank Management System

Technologies: Python, OOP, Git, GitHub, Docker, Jenkins, Pytest

- Built a Python bank management application using object-oriented programming concepts.
- Managed source code with Git/GitHub and created a Docker image to run the application in a container.
- Practised Jenkins pipeline execution and automated testing with Pytest.

Project: github.com/RohitBilwal123/Bank_Project

Personal Portfolio Website

Technologies: HTML, CSS, JavaScript, Git, GitHub Pages

- Built and published a portfolio website to present technical skills and project links.
- Used Git/GitHub for source control and deployed the site through GitHub Pages.

Portfolio: rohitbilwal123.github.io/Rohit_Portfolio

EDUCATION

B.E. in Computer Engineering | International Centre of Excellence in Engineering and Management | 2026 | CGPA: 7.00

HSC | Shree Muktanand College, Gangapur | 2022 | 66.00%

SSC | Sant Tukaram Vidyalaya, Shingi | 2020 | 80.60%

CERTIFICATIONS

- Hedera Hashgraph Developer
- Docker, Kubernetes, Jenkins, Terraform and Ansible Master Course — Udemy
- Java (Basic) — HackerRank
- Fundamentals of Amazon RDS for PostgreSQL — AWS Training and Certification

LANGUAGES

Marathi (Fluent) | Hindi (Professional) | English (Intermediate)
